

About Zedd

Zeddrix Fabian became one of Jehovah's Witnesses on February 21, 2016, and has a goal of volunteering at [Bethel](#). After going to both private and public school for 10 years (Grade 1 to 8 in private; Grade 9 and 10 in public school), their family tried homeschooling when he leveled up to Grade 11 this 2019.

Zedd's learning **Mandarin Chinese** with the desire to help the Chinese people here in the Philippines to learn about Jehovah and his loving purposes. "Soon," he says, "when I become proficient in this tongue, at that point will I learn the parlance of the **French**. It's just so amazing how they enunciate every word with grace and poise."

Coding/programming with Python and Django became his hobby. He even has two courses for these programming languages: [Learn Python](#) and [Learn Django](#). It may be hard to learn at first, but once you've done your best learning and rolling with it, it'll be fun! Did you know that he has developed his own game? Yes, he lets his friends play it!

Zedd loves music. He listens to songs written by Ed Sheeran, by Shawn Mendes, and, of course, songs written by **Zedd**. His favorite song by **Zedd** is, "Stay"; "Lost in Japan" by Shawn; and if "Shape of You" wasn't a sexual song, it could have been his favorite song. We can't do anything with that so it's, "Tenerife Sea".

Classical songs are also in his playlist: "Piano Sonata No. 11 in A Major", by Margarete Babinsky, "Serenade No. 13 in G Major", and "Divertimento in D Major", both by Wolfgang Amadeus Mozart.

They also have **Original Songs**—"[True Friends](#)", "[Inspired by your Wonders](#)", and "[This is my Family](#)" are his favorites. He plays these songs on his guitar. Yes, playing **guitar** is his hobby, too. Occasionally, he makes guitar tabs out of the Kingdom songs from the songbook "[Sing Out Joyfully to Jehovah](#)" and

[song no. 47](#) is his favorite. And you can download all of these songs (and other songs) on this website: [jw.org](#).

Drawing doodles and drawing nature sceneries are his preferred themes in charcoal art. You could view some of his drawings on [My Drawing Showcase](#).

When he doesn't have a guitar, or a pencil and a sketchbook with him, he **blogs**. You'll know what he blogs when you read his blogs.

His outdoor sport is **badminton**. He plays with his friends from their congregation and seldom, with friends from other congregations, too.

He plays **chess**. When you got the chance to meet, why don't you guys have at least one game? But be careful, he's better than Magnus Carlsen, and he can play the pieces on his head without looking at the board like Sherlock Holmes. Just kidding—not kidding.

He loves to have a dog, or a bunny, or a turtle as his pet. "I don't understand the behavior of cats," he expressed. "They may be soft and beautiful on the outside, but on the inside, I'm warning you, they're monsters."

Anyways, did you know that a [New World](#) is promised to us? Hopefully, when we're finally there, Zedd told me that he would travel around the paradise earth, with only his bare feet. And while he does that, he will start reading every book; he'll start with the publications on [jw.org](#).

"While reading these books, I might as well acquire skills in all the languages known to man—both the programming languages and the human languages," he stated. "And after I do all these, who knows? Maybe I'll start studying all 8.7 million species of animals." That would be fun! How about you? What would *you* like to do in the New World, knowing that you can do all the fun things and learning there?

"I chose not to do these here today because legitimately," he adds, "doing all of these would take any person thousands of years, or even more! That's why we

are so thankful that Jehovah God has given us a hope to live *forever* at the upcoming **paradise earth!**" I agree.

Fortunately, Psalms 37:10, 11 states: "Just a little while longer, and the **wicked** will be no more; You will look at where they were, And they will not be there. But the **meek** will possess the earth, And they will find exquisite delight in the abundance of peace."

But what should we do in order to be "**meek**" to benefit from these wonderful promises of God for mankind? John 17:3 clearly states that we should "come to **know** Him, the only true God, and the one whom He sent, Jesus Christ."

How are we going to know them? By *careful study* of His Word, the Bible, and by *daily application* of His principles. In this system of things, we should endure and "get a firm hold on the **real** life." (1 Timothy 6:19.)

Please go to our website jw.org and watch a 4-minute video entitled: [***Why Study the Bible?***](#) Jehovah's Witnesses will be happy to study the Bible with you.
